FLOURISH 2026

Hello...

AND WELCOME TO FLOURISH

We hope that from the moment you arrived, you've felt right at home.

We've been praying and preparing with you in mind, believing wholeheartedly that God would bring the right women, at the right time, to the right place — and that includes you.

There's something about simply showing up — even when life feels heavy, or when parts of your story feel unseen or unfinished. Psalm 34:5 says, "Those who look to him are radiant; their faces are never covered with shame." Whatever you've carried in with you, you don't have to hide it here. Just know this: God sees you, and He has something special prepared for you during this time. We believe that this is your time to... flourish.

With love and expectation,

The Flourish Team
